Q5 What did you like the least about being at JGI?

4

Q6 What are some of the things you learned by going to JGI?

4

Q7 How did stuff you saw or were taught at JGI relate to what you have done in the biotech class?

4

Q8 Why did you not go on the field trip? (mark all that apply)

2 *I was out of town*

2 *I did not want to go*

0 *I thought it would be boring*

1 *I don't believe in doing school or work related stuff during vacation time*

0 *I had family obligations*

0 *I did not realize that the trip would actually relate to what we have done in class*

Any other comments about why you did not go on the trip? 2

Q9 What can Ms Getz do to recruit more students to go on the trip next year?

10

Q10 Should we do a trip to JGI next year?

9 *Yes*

1 *No*

Q11 Any suggestions you have for next year's field trip to JGI?

8

Q12 If you had gone on the trip before we were at the point we were at in class, would things have made sense at JGI?

In other words, if you had not already done PCR, plant tissue culture, and the short exercise on sequencing, would you have gotten as much from the information at JGI as you did?

4 *Having the lessons on PCR, plant tissue culture, and sequencing helped me understand what was being taught at JGI*

0 *The lessons at JGI were taught well enough that I did not need the background knowledge before going*

Q13 **If the field trip had been in the fall before you had the experiences you have had in the biotech class for the last 3 quarters, would you have gone on the trip?**

7 *Yes*

1 *No*
